## CENTER HARBOR PLANNING BOARD

---

The Planning Board met twice a month in 1993 to consider and act upon subdivisions, site plan reviews, ordinances and other issues dealing with land use in Center Harbor.

During the year the board approved several subdivisions, including the Frank Finn property and the John March-Gephart property. We became involved in site plan reviews for the Everett Duren property, the Kevin and Diane Campbell property, and others.

Several changes to Center Harbor zoning ordinances were brought before town meeting at the recommendation of the board, including changes under Home Occupation, Construction Permits, Setbacks, Types of Signs, and Special Exceptions. The board has spent many hours this year discussing town sign ordinances resulting in recommendations to change some existing ones and add some new ones.

At our April 20 meeting, Don Leavitt stepped down as Co-chairman, and Edward Libby was elected as his replacement. Subsequently, Don resigned from the board and his input will be truly missed. Ed Libby has done an outstanding job as his replacement, and we are fortunate to have a hard-working slate of officers, including Co-chairman Kirk Meloney, Secretary Ann McCahan, and our unsung heroine, Clerk Sheila Mohan.

We have several unresolved agenda items to carry into the next year, including the desire of The Legionnaires of Christ on Route 25B to expand both their physical facilities and increase their enrollment.

The Planning Board will meet on every first and third Tuesday of the month at 7:30 PM in the Cary Mead Room, and all meetings are open to the public. We will continue to be open to land use questions and suggestions by Center Harbor residents.

Respectfully submitted,

FRANK FANCHER

JAMES E. NICHOLS MEMORIAL LIBRARY  
Annual Report of the Trustees

---

The Trustees of the Nichols Memorial Library are pleased to report another year of progress. Thanks go to Librarian Michael Sullivan for his work, leading to an increase of 40% in library usage, matching a 40% increase in the hours the Library has been open. The most significant gain was a doubling of services and usage for young people and children. Magazine circulation grew, and inter-library loans were a much-used service.

Our board met monthly or as needed. One or more trustees attended state and local meetings in an effort to improve our Library as a center for learning and enjoyment.

Eloise Coudert of Center Harbor Parks and Recreation made the Library a lively place for children on Saturday mornings. From April 17th through May she and the Librarian held a series of indoor and outdoor activities entitled "Science and Nature". From November 7 - 28 the theme was "Native and Colonial American Heritage Handicrafts."

Our board was sorry to lose Carolyn Harlow as a board member. We thank her for her years of service to the Library. Helen Heiner is welcomed as her replacement, providing us with new areas of expertise.

After the May meeting of NHLTA the Library adopted an Acquisition Policy to affirm the place of the Library as a source of information rather than opinion.

A plan to deal with the American Disabilities Act is in progress. The firm of Christopher P. Williams has been of great help in this regard, as well as in the problems arising from the age of our building.

James Garvin, Architectural Historian with the N.H. Division of Historical Resources is providing his expertise on how our National Heritage Library can be adapted to the limitations of space and the need for handicapped access.

At the Flea Market in July a book sale and a recycled toy sale were successful fund raisers.

A new venture, Sponsor-a-Book, made it possible to provide a wider selection of current titles. The generosity of William Monroe and donors of memorial books helped stretch our funds for collection development.

We thank the Woman's Club for decorating the mantels each month; and for the flowers on each side of the Veterans' Memorial. The gardens in front of the Library were maintained by the Trustees and Over the Garden Wall.

Board secretary Kate Vachon has assisted the Librarian with her columns in the Meredith News - a nice way to keep the Library in the public eye.

A three-year search for a mason to rebuild the Library chimneys was successful at last. David Cutter's work should grace our building well into the next century!

The Trustees would like to extend thanks to Assistant Librarian Jackie Kelley and Custodian Leonard Grant for their faithful services to the Library.

Saying goodbye to Michael Sullivan will not be easy. Patrons and trustees have come to depend on him, and his extra hours of dedicated work for the advancement of the Library have been gratefully appreciated. Goodspeed in your new position, Michael.

Finally, we plan for continued progress in library services to the community. We look forward to 1994 when Sandra Pickel will join us as Librarian.

Respectfully submitted,

BARBARA BENOIT  
Chairman

## Annual Report

---

The annual meeting of the James E. Nichols Memorial Library Association was held on January 15, 1994.

Sandy Pickel, our new Librarian, was introduced.

The year of 1993 was reviewed with the reading of reports from the Treasurer, The Trustees, the Librarian and the Association President. The Nominating Committee announced the slate of officers for 1994. Kate Vachon was elected by the Association to serve on the Board of Trustees for another three years.

The Librarian reported that 815 books were purchased (290 by cash, the remaining by gifts). The circulation for the year 1993 was 6193. The video circulation was also successful.

A Program Committee was established and sponsored the following programs for 1993: 1. International Night - This program was comprised of exchange students from six foreign countries. 2. Attorney Allen Dublin spoke on the subjects of wills, trusts and estate planning. 3. The bake sale held in May was very successful. 4. The "Trash for Toys" held in July was profitable.

Plans for 1994 that are currently in place are as follows: 1. February 10, 1994 at 3:00 pm at the Library will feature Daniel Swain from IFYE and he will share his experiences in Denmark. 2. May 28, 1994 - The bake sale will be held.

A House Tour was discussed to take place on July 27, 1994. There will be a need for lots of help and further discussion before this activity can be confirmed.

Officers elected for 1994 are as follows:

President	Richard Harlow
Vice President	To be announced
Secretary	Bess Hanson
Treasurer	Walter Kneeland
Librarian	Sandy Pickel
Trustees	Barbara Benoit - through 1995
	Bess Hanson - through 1994
	Kate Vachon - through 1996
Auditors	Eugene Manville
	John Merrill
Nominating Comm.	Gertrude Martin
	Carolyn Harlow
	Sandy Pickel

1993 has been a year with many positive accomplishments toward providing a more viable service to Center Harbor and surrounding communities. However, in order to keep the program on the up-swing in 1994 the Association will need your continued support.

CENTER HARBOR FIRE DEPARTMENT  
P.O. BOX 222  
CENTER HARBOR, N.H. 03226

CHIEF  
PETER RUEL

DEPUTY CHIEFS  
FRANK WELSH  
JOHN SCHLEMMER

The Center Harbor Fire Department responded to a total of 186 emergency incidents in the past year. 91 of these incidents were in the Town of Center Harbor and 95 were into other member towns of the Lakes Region Mutual Fire Aid Association. Of the total incidents, 90 were fire related, 66 were calls for medical assistance, 25 were motor vehicle accidents and 5 were service calls to assist citizens.

Residents are urged to continue in the fine show of Fire Prevention practices, proven by the low number of actual fires which resulted in town. The low incidence of chimney related fires proves that wood can and is being burned safely by residents. Please keep up the good work by properly installing solid fuel appliances and regular cleaning of flue pipes and chimneys. Assistance is always available from members of the Fire Department by calling the Town Office or Fire Station.

The time for turning clocks ahead for daylight savings time is rapidly approaching. There is no better time to remember to put fresh batteries into your home smoke detectors. "Spring ahead" and "Fall back", should be reminders of time change and smoke detector checks. If you don't have smoke detectors in your home, please feel free to contact the Fire Department for assistance in obtaining one or more. Modern smoke detectors are the best insurance you can have to prevent loss of property or life from the dangers of fire in the home.

REPORT OF  
CENTER HARBOR FOREST FIRE WARDEN AND STATE FOREST RANGER

During Calendar Year 1993, the State of New Hampshire experienced an average number of wildfires. The three leading causes of these wildfires were campfires left unattended, unsupervised children and debris fires that escaped control. All of these fires are preventable, but ONLY with your help!

Please help your town and state forest fire officials with forest fire prevention. New Hampshire State Law (RSA 224:27 II) requires that, "No person, firm or corporation shall kindle or cause to kindled any fire or burn or cause to be burned any material in the open, except when the ground is covered with snow, without first obtaining a written fire permit from the Forest Fire Warden of the town where the burning is to be done."

Violations of RSA 224:27 II and the other burning laws of the State of New Hampshire are misdemeanors, punishable by fines of up to \$1,000 and/or a year in jail and you are also liable for all the suppression costs incurred by the Forest Fire Warden.

The State of New Hampshire, Division of Forests and Lands assisted many towns in wildland fires suppression during 1993 and participated in many fire prevention programs. This year, the nation is celebrating Smokey Bear's 50th anniversary. The State of New Hampshire, Forest Protection Bureau will be working with many communities to spread the fire prevention message - "Remember...Only YOU can prevent forest fires. Fire prevention is the most effective fire suppression tool. Please be careful with fire and help us and your community have a fire safe year.

"REMEMBER...SMOKEY HAS FOR FIFTY YEARS!"

Statewide 545 fires burning - 224 acres

Forest Fire Warden

## REPORT OF THE CONSERVATION COMMISSION

1993

Water quality of the lakes and ponds in Center Harbor should be of concern to all citizens of the town. It is a priority concern for the Conservation Commission, as Duke Kline and Ingrid Smith continue to monitor the quality of Center Harbor Bay of Lake Winnepesaukee. We encourage other people to join this project during summer months. Contact Duke Kline at 253-7633. University of New Hampshire laboratory reports of this project are available for review at the Town Hall.

The Seventh Annual Household Hazardous Waste Cleanup was held on Saturday, July 31. Ingrid Smith, Chip Sorlien, Walter Kneeland, Harold Bernt and Ken Sorlien worked at the Meredith site in filling out questionnaires, directing traffic and compiling data. Over 10,000 gallons of paint thinner, pesticides, oil paint, used motor oil, etc., were collected at eight different sites in the Lakes Region Planning Commission's jurisdiction. 18 towns again provided the bulk of needed funding, with a 25¢ per person matching by the state. Another collection is being planned for July 1994.

The Youth Conservation Camp format was modified for 1993 by the sponsoring Society for the Protection of New Hampshire Forests. The changes unfortunately made continued participation almost impossible for a town the size of Center Harbor. Thus, after seven years, scholarships to the Youth Conservation Camp have been suspended.

Use of a goodly portion of the Center Harbor Land Conservation Fund to help buy the strip of property between Main Street and Route 25 in 1992 was the prime reason the fund was started in 1989. Now a goal for this fund is to provide the residents of West Center Harbor a town beach on Lake Waukewan.

Conservation Commission work involving the N.H. Wetlands Board continued throughout the year. Unfortunately several applications requiring Wetlands Board action had errors which required written correction by the Conservation Commission. We suggest that applications should be screened by the Conservation Commission before submitting same to the Wetlands Board.

The Conservation Commission is very pleased to welcome Janet Youtz to be on our team's "eyes and ears" for West Center Harbor.

Commissioners: Jan Youtz  
Eloise Coudert  
Ingrid Smith, Vice Chmn  
Duke Kline  
Harold Bernt

## CENTER HARBOR HISTORICAL SOCIETY

---

Started in 1971 with 52 charter members, the Center Harbor Historical Society now has approximately 75. Our meetings are held in the former Village Schoolhouse on Plymouth Street from April through November. Our programs by our members are of local history, or speakers who show how happenings beyond town or state lines influence our lives.

In the spring, led by Bob and Barbara Benoit, Kay Beij and Roger Kelley, all members help in making our annual plant sale a success. It is held at the Fire Station with the cooperation of the firemen. A great deal of planning and hard work makes this the largest money maker of the year.

Sports was the theme of the Independence Day parade. The Society's float carried out the theme with club and family members dressed in appropriate clothing and used their talents and ingenuity to represent sports of the past.

Barbara and Garald Kelley were instrumental in finishing a small back room to extend the exhibit area of the museum.

The repair of the Lakeview Cemetery fence across from the Congregational Church was completed in cooperation with the Town and Church. This was done by UNION MARBLE AND GRANITE WORKS.

The purpose of the Society is to collect and preserve objects and facts of historical interest to the Town of Center Harbor. The Village Schoolhouse displays many interesting items from fire pumper to several butter churns. The building is open each Saturday from 2 to 4 pm in July and August, as well as during meeting hours. Our greeters would enjoy having you visit.

Respectfully submitted

NANCY KELLEY  
President

## CENTER HARBOR POLICE DEPARTMENT

### 1993 Annual Report

1993 was our most active year. Our Call for Services in 1993 totaled 1050, up from last years 583 C.F.S. The addition of the second full time police officer to the department has been a great improvement. Officer Kyle True who was hired full time in July 1, 1993 has successfully completed the 101st New Hampshire Police Academy, and was presented with a full time police officer's certificate upon graduating on November 19, 1993. Officer True will be working the second shift for this department. So if you see him out and about please don't hesitate to flag him down and say HI.

At this time I would like to advise everyone that you can reach this Department 24 hours a day by calling the Belknap County Sheriff's Department Dispatch at 524-3830. During the day for non-emergencies you can call my office at 253-9756. I would like to thank Officer True and the part time Police Officers that helped me during the year of 1993, for without their help this department would not have been able to meet the demands of the town. To all of you have a healthy and safe year.

Respectfully submitted,

Andrew Faller  
Chief of Police

## REPORT TO THE PEOPLE OF DISTRICT ONE

The five member Executive Council acts much like a Board of Directors within the Executive Branch of your State Government. We have the authority granted to the Governor and Council by constitutional and statutory law for the overall administration of the affairs of State as defined by the NH Constitution, NH statutes, advisory opinions of the Attorney General and opinions of the NH Supreme Court.

We each represent one-fifth of the population divided into five districts. Our District consists of 98 towns and four cities spread over all or parts of five of New Hampshire's ten counties. The current population of our District is 221,000 people - basically the land area north of Concord.

Of prime importance to this region is the development of the highway transportation program throughout the State. The NH Legislature by law set in motion a two-year cycle which will start July 1, 1994 which requires each Councilor to hold public hearings to ascertain highway and transportation needs. We then make our recommendations to the Governor who then will make a recommended plan for highways to the NH Legislature by February 1997. Governor Merrill will be making his 1994 recommendations to the NH Legislature by February 15, 1994. Towns, cities, counties and citizens having an interest in this should contact their local State Representatives and State Senator.

Another project that is of continuing interest to this District is the nomination and confirmation of individuals to the dozens of State boards and commissions on which the Governor and Council are required to fill with qualified and interested citizens. If you are interested, please forward a copy of your resume to me.

Individuals having an interest in these duties and responsibilities should contact my office or Governor Merrill's office at the State House, Concord,, NH 03301.

LAKES REGION PLANNING COMMISSION  
1993

The Lakes Region Planning Commission is a voluntary association of local communities designated by area towns as the organization that brings towns and cities within the Region together. By associating and pooling resources, local governments have a highly trained professional staff available to them for a wide variety of services. Areas of current expertise include land use planning, transportation planning, master planning, environmental planning, capital improvement programming, impact fee studies, economic and community development, housing, fiscal and environmental impact analysis, geographic information systems and computerized cartography, household hazardous waste collections and site plan review. Communities may also obtain the services of a professional planner on a regular basis through our circuit rider program, The Commission also serves as a collective voice in issues involving the state and federal government. We are cognizant of the role we have to protect and further the interest of our communities.

Your support enables the LRPC to undertake comprehensive regional planning and to carry out various projects and programs of regional benefit. Over the past year, the LRPC:

- Provided consultation and assistance to thirty-one member communities.

- Met repeatedly with state officials and agency representatives to influence policy and help keep the Region an active participant in many ongoing State programs. Contracted and coordinated the 10th, and largest, regional household hazardous waste program in the Lakes Region serving over nineteen municipalities in a one day super collection.

- Initiated the state of the Lake Winnepesaukee Watershed Project which includes the preparation of a Manual of Model Ordinances, especially for communities having lakefront lands.

- Sponsored local sessions of the NH Law Lecture Series. Served as a board member on the Belknap County Economic Development Council, a regional consortium of area towns for economic betterment.

- Staffed critical parts of the US Route 3 and NH Route 11 community oriented transportation study of the Route 3 & 11 transportation corridor from Franklin to Laconia. The final report is scheduled for early 1994.

- Served on the Route 3 & 11 Policy Advisory Committee advocating a consensus approach for projects to be recommended in the 3 and 11 study.

- Initiated discussion of state support for a study of siting a conference facility in the Lakes Region. Legislation for this idea was submitted in 1994(SB 701).

- Provided each town in the region with GIS plots of wetlands, through a cooperative project with the NH Office of State Planning. We are also represented on the NH GIS Advisory Committee. We are also working on a cooperative GIS partnership with Plymouth State College.

- Started data collection efforts on a Route 16 Feasibility Study; a federally mandated study designed to investigate measures to preserve the Route 16 transportation corridor as an efficient conveyer of people and goods.

- Initiated discussion on a land capability analysis of the

Newfound Lake watershed. This effort will be funded by the NH Dept. of Environmental Services and will include assistance from the Newfound Lake Association and the communities within the watershed.

Continued to participate on and support the NH Heritage Trails efforts. The NH Heritage Trail is a recreational trail generally following the Pemigewasset and Merrimack Rivers from the Canadian Border to the Massachusetts border.

Started a cooperative wetlands evaluation project with the Audubon Society, Office of State Planning and Central Region Planning Commission. Held two workshops and will work with Ossipee and Wolfeboro on wetland evaluations.

Met individually with all thirty-one towns in the region to discuss changes to the existing regional transportation improvement program. This information will assist the LRPC with the preparation of an updated regional transportation improvement program.

Completed point and non-point source pollution mapping of towns in the Region and transferred this information into the LRPC's geographic information system.

Continued to administer the Region II Transportation Advisory Committee in coordination with the NH Department of Transportation. This group meets throughout the year and has established regional transportation priorities which are annually presented to the Governor's Highway Advisory Council and the State Department of Transportation for future transportation improvement projects.

Continued to administer and participate in a number of master plan updates throughout the Region including, but not necessarily limited to Tamworth, Northfield, Holderness, Gilmanton and Sanbornton.

Received a special commendation for unique and significant accomplishments in the field of town, city and regional planning from the Northern New England Chapter of the American Planning Association for our Industrial Siting Study.

We look forward to serving your community during the coming year. Please feel free to contact us at 279-8171 whenever we can be of assistance.

LAKES REGION FAMILY SERVICE ASSOCIATION, INC.

1. AGENCY PROGRAMS AND SERVICES:

Lakes Region Family Service Association, INC.. is a social service agency, offering counseling, mediation and child advocacy programs to residents of the Lakes Region. We have been in existence for over twenty-five years, and began operations as an independent agency in 1976. Our mission is to assist families with difficulties and problems they face.

A. COUNSELING PROGRAM:

The agency's counseling program includes individual adult, couples, child/adolescent/family counseling services. We also provide psychiatric consultation and evaluation through our consultant, Maracas J. Santiago, MD who is a child psychiatrist. We help with problems such as marital discord, divorce, depression and anxiety, behavior problems, substance abuse, parenting, post traumatic stress, and family violence.

Our agency provides counseling services to Center Harbor residents in our office at 95 Water Street in downtown Laconia. We also see Center Harbor residents in our one day a week satellite office in the Meredith Congregational Church. Center Harbor children are also served, at Inter-Lakes Elementary School, in our Social Skills Program. Outpatient counseling services are provided according to a sliding fee scale, and we seldom have a waiting list. Town allocations allow us to see families at affordable fees.

The Counseling Program offers a variety of groups and workshops to residents of our area. These currently include the following:

Adolescent Therapy Groups: The groups have been found to be the most effective therapeutic methodology for intervening in problems youth experience. An experienced MSW social worker staffs the groups.

Co-Dependency Groups: For the fourth year in a row, we are offering groups for people with problems of "Co-Dependency". These groups are well attended, and have been found to assist with many relationship issues.

Adult Children of Alcoholics Program: (and other groups to serve families with substance abuse problems). The program includes educational workshops and therapy groups for adults who are experiencing problems as a result of growing up with an alcoholic parent(s).

Children of Divorce: Six week therapeutic groups for children whose parents are divorces. On-going.

Social Skills Groups: Program for Elementary School Children; to assist them in dealing with peers, teachers, academics. Program is offered in Meredith and Belmont

Stress Management: To assist people in managing stress and tension. The most recent workshop was staffed by John Walsh, PH.D. and twelve(12) people attended. A "Holiday Stress" workshop will take place December 8, 1993.

Parent Support Group: We currently offer a group for parents of adolescents, weekly. By November, we plan a similar group for parents of young children.

S.T.E.P. " Systematic Training For Effective Parenting". This is a structured, nationally recognized series; participants pay only \$10.00, for materials.

Adult Children of Aging Parents: Therapeutic/supportive

group for adults dealing with their aging parents. Informational, problem solving focus. Five week workshop.

#### B. STOP FAMILY VIOLENCE PROGRAM:

Since 1981, Lakes Region Family Service has offered services to help people who are the victims, directly or indirectly, of family/interpersonal violence.

Our services no longer include direct, emergency services to battered women. Those services are provided by New Beginnings. Lakes Region Family Service focus includes programs for violent men, abused children, and whole families where abuse has occurred.

Our program for men who batter provides a structured psycho-educational group for eight weeks, followed by a nine (9) month support group. The program was developed in consultation with EMERGE, a well known training program for batterer's groups. A male clinical psychologist, with twenty(20) years of experience, co-leads the group with our female staff.

The group helps men learn alternatives for problem solving, and confronts them with their responsibility for change. In many instances, couples stay together or recite; therefore, the program intervenes in their cycle of violence or maximizes the chance that violence will not be a part of a man's future relationships with women and children.

Currently, we are looking for funding to continue the group since the NH Coalition Against Domestic and Sexual Violence has decided that the funds the Coalition dispenses will be used solely for victim services. (The Coalition had funded the men's group in 1992 and 1993.)

The Child Advocacy Program serves sexually assaulted children and their families. This includes the following:

- Case Management and referral services, insuring that families receive services.
- Support for children in court/hospitals, etc..
- Transportation and child care
- Groups for children
- Groups for parents whose children have been abused (Non-Offending Parents Group)
- Community education

The Program priority, in terms of community education in 1993, is to work with schools with the goal of helping children/adolescents to identify violence in their relationships, and prevention/identification of sexual abuse.

These services are available to Center Harbor residents free of charge and we need the on-going support of the Town of Center Harbor in order to adequately serve these families and institutions.

#### II. CENTER HARBOR: Numbers served

#### III MEDIATION PROGRAM:

For five years, a mediation program has existed in the Lakes Region; it was directed by Ann Swett and has limited funding from Belknap County Incentive Funds. These are State monies, with the County acting as a conduit. The Belknap County Commissioners are aware that the program receives town funding.

The Mediation Program was integrated into Lakes Region Family Service on March 1, 1992 as a result of an agreement

reached between active volunteer Mediators and the Lakes Region Family Service Board of Directors.

The Program provides parent-child mediations, free of charge. We are staffed by an Executive Director, a part-time Mediation Coordinator, and volunteer Mediators. Parent-Child mediators assist with the following problems in families, to name just a few:

- Rebelliousness in youth, including running away, substance abuse, school problems, verbal aggression, curfew issues.
- Discipline problems
- Issues over household rules
- Communication problems
- Re-integration of children who are leaving foster care
- Problems among adults concerning visitation, custody

A written agreement is developed as a result of the mediation and is then a tool for families to use as they deal with problems. Mediation assists with urgent family problems, but also teaches families communication and negotiation skills which assist them in relationships, jobs, etc. In several cases, mediation is court ordered in District Court and we have dealt with foster families and extended family members. (The program also provides divorce mediation, this program generates revenue to support the service.)

In February, 1993, we utilized a grant from the New Hampshire Charitable Trust Fund to train twelve(12)new mediators.

The Mediation Program is on of the few services that is available to families free of charge. Once again, we need your help to serve increasing numbers of families.

INTER-LAKES DAY CARE CENTER AND NURSERY SCHOOL  
1993 REPORT TO THE TOWNS

---

We wish to thank the Town of Center Harbor for their continued support of our programs. Year round child care is provided, in an educational setting, for children thirteen months to twelve years. During 1993 the Center served 158 children from 119 families. Sliding scale fees are available, and USDA meals are included. This appropriation is used as local support and funding under Title XX through the office of Economic Services of the State of New Hampshire.

PARKS AND RECREATION DEPARTMENT  
1993 ANNUAL REPORT

---

The recreation year began with an Easter party on April 10 at the Municipal Building and Fire Station. Approximately 35 children enjoyed egg hunts, egg decorating and games on that Easter Saturday. The Memorial Day Parade took place on May 31 this year, with the Inter-Lakes High School Band providing the music. Refreshments were provided following the parade. A new program started in June was the monthly special events day for all senior citizens. A special program and luncheon is offered to all senior citizens on the fourth Thursday of every month in the Cary Mead Room. Information on this program is available on the bulletin board at the town office.

Another new program this spring was coordinated with the Nichols Memorial Library. On four consecutive Saturdays children took a field trip to the Holderness Science Center, learned some "math magic" at the library, had a May Day nature expedition and made a bottle terrarium. An average of 19 children participated in these events each week. A week-long volley ball camp for teens was conducted at the end of June. Co-ed recreational volley ball continues every Sunday night at the ILHS gym, with power volley ball being played every Tuesday night at the ILES gym. Bart Coudert volunteers his time to conduct these sessions.

Summer began with a bang on July 4, with a full day of activities. The fifteenth annual Center Harbor Footrace drew 276 people for the adult 2 and 5 mile races and the children's races. The footrace is sponsored by the Center Harbor Sport Shop. The Mad Bavarian Brass Band gave a short concert at the town beach at noon and also highlighted the Independence Day Parade at 2:00 pm. The fireworks display drew hundreds of people to the town beach at dusk. Lifeguards manned the town beach every day from June 26 through August 22, 9:-- am to 5:00 pm. Two sessions of swim lessons were offered to the children in the area, with a water carnival following the second session. 39 children participated in the Red Cross Swimming lessons. A new rule was enforced at the town beach this year. No floatation devices including masks and snorkels will be allowed in the water while the lifeguards are on duty. An exception to this rule is Coast Guard approved life jackets worn by special needs children.

An eight-week long children's beach program took place every Tuesday, Wednesday and Thursday afternoon during the summer. Activities included arts and crafts, field trips, music, face painting, volley ball, games, relay races and a treasure hunt. Two local hikes were conducted on Monday mornings. 20 children registered for this program. Tennis lessons for children were given on Mondays and Wednesdays for eight weeks during the summer. 20 children attended these classes. A six week Hatha Yoga class was conducted in the Cary Mead Room this summer, with two more sessions taking place in the fall. Band concerts were given every Friday evening at the Center Harbor Fire Station from July 9 through August 6. The third annual hoursshoe tournament and barbeque took place August 15, with Stephen Peoples taking away the cash prize and trophy.

The town softball field and tennis courts were enjoyed by many individuals and groups, particularly during the months of May, June, and July. The youth soccer league utilized the field during the fall months this year, as the Meredith field was being renovated. I'd like to thank the youth

and community groups in particular for their cautious and careful use of the fields. These facilities are on a "first-come-first serve" basis, and use of the field must be noted on a calendar at the town clerk's office.

Inter-Lakes High School students put on a haunted house for the town on Halloween, and approximately 80 children and adults took a walk along the "road of doom" and enjoyed the refreshments provided. Donations were accepted for the proposed Center Harbor basketball court. A Christmas party and tree lighting was the last event of the year. 30 children and adults made ornaments and candles and enjoyed the refreshments provided by the Center Harbor Woman's Club. Efforts are under way to construct a basketball court at the town beach location for use of the town. Fund-raising efforts have been encouraging and the balance of funds needed will be presented to the voters in the form of a warrant article at town meeting.

I would like to thank town personnel for their support, the firemen for use of their facilities and for maintaining the ice rink, and community volunteers whose time and contributions are so very much appreciated.

Respectfully submitted,

ELOISE COUDERT  
Director
